

MMD Custom Design Style Process

Step 1: Virtual Design Questionnaire & Package Selection:

- ❖ Select your preferred package and submit your [Online Design Questionnaire](#)
 - ★ **Gold Luxe Custom** Package - Personalized Conceptual Style Board, along with Styling Tips and a Shopping List with links to purchase your items.
 - ★ **Platinum Luxe Plus** Package – Includes the Gold Luxe Custom package PLUS a complete designed room that virtually places items in your space via a 3D Rendering and Floor plan along with paint selections.

Step 2: Room Measurements & Design Inspirations:

- ❖ Gather your room measurements, take photos of your space, and provide any links and photos of your style inspirations.

Step 3: Custom Design Consultation:

- ❖ Upon receipt of your information & payment, we will set up a consultation with you to align on your custom design direction.

Step 4: Sit Back, Relax and Let Us Go to Work for You!

- ❖ We will take all the information about your space, your style, your budget, and your preferences and our designers will work hard to provide the perfect design that meets your needs.
- ❖ Receive your final style board along with styling tips and a shopping list with links to purchase your beautiful items. If you purchase the Platinum Luxe package you will receive your 3D Rendering and Floor plan.
